OFFENCE PLAYMAKER

White O pieces. Left of the court. Swap seats to switch roles.

EACH TURN
1 or 2 actions. A turn-ender always goes last: play it first and your turn is over.

PHASE ENDS
Offence plays its last token: the defence gets one final reaction, then it ends. Defence plays its last token: it ends at once. A shot ends it.

RESET
All action tokens back to the pool, lock tokens off. Shot clock down 2 seconds. Players stay put.

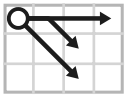

ACTION POOL
Your 6 action tokens start here each phase. One token into a slot = one action. Empty pool: you're done.

1 2 3 4 5 6

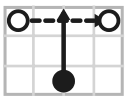

ACTIONS when · **roll** · result

	O1	O2	O3	O4	O5	Limit per phase
LOCKED A status, not an action. Grey lock token. Lost a Dribble, beaten by one, or failed a Challenge. No Move, Sprint or arrow turn; Quick Step still OK.	Lock	Lock	Lock	Lock	Lock	Grey lock token

MOVEMENT Doesn't end your turn. Play one, then you can still take a second action.

MOVE Up to 3 straight, 1 straight + 1 diagonal, or 2 diagonal. Never through another player. Ball carrier: can't cross an adjacent arrow line. 	Move	Move	Move	Move	Move	**1 each**
QUICK STEP A burst set by the card: 2, 1 or 0 squares, straight. Still allowed when locked.	Quick Step	Quick Step	Quick Step	Quick Step	Quick Step	**×2** Sprints count
SPRINT Move and Quick Step in one straight line, any direction, same player: **1 action**. Uses that player's Move and Quick Step. 	Sprint	Sprint	Sprint	Sprint	Sprint	**1 token** Uses Move + Quick Step

ENDS YOUR TURN Always your last action. Play one first and your turn is over.

PASS To any teammate; passes cross players. Threat: on the line, or arrow across it. Your defender: only their arrow counts. Roll **≤ Pass – Intercept**. Fail: no pass, –5. 	Pass	Pass	Pass	Pass	Pass	**×2**
SCREEN Any player, ball carrier too (keeps the ball). The T marks a square: no defender goes diagonally round you from or through it. Can't move; flips back. Challenge holds on **≤ Screen – Challenge**.	Screen	Screen	Screen	Screen	Screen	**×2**
DRIBBLE Take on a defender 1 square away: **≤ Dribble – Agility**. Win: they're locked; you may cross their arrow line. Then get past with your movement actions. Lose: you're locked, but can still pass or shoot.	Dribble	Dribble	Dribble	Dribble	Dribble	**×2**
HESITATE Your one wait. The defence must act before you act again. Not straight after their Pause.	Hesitate	Hesitate	Hesitate	Hesitate	Hesitate	**×1**
SHOT The ball carrier, never from plain maple. Defence may move or Steal first. Once you shoot, any foul is free throws; a steal ends it at –5. Value: **points × (rating – contest)**.	Shot	Shot	Shot	Shot	Shot	**×1**
