DEFENCE PLAYMAKER

Black X pieces. Right of the court. Swap seats to switch roles.

EACH TURN
1 or 2 actions. A turn-ender always goes last: play it first and your turn is over.

PHASE ENDS
Offence plays its last token: the defence gets one final reaction, then it ends. Defence plays its last token: it ends at once. A shot ends it.

RESET
All action tokens back to the pool, lock tokens off. Shot clock down 2 seconds. Players stay put.

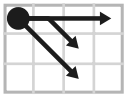

ACTION POOL
Your 6 action tokens start here each phase. One token into a slot = one action. Empty pool: you're done.

ACTIONS when · **roll** · result

	X1	X2	X3	X4	X5	Limit per phase
LOCKED A status, not an action. Grey lock token. Lost a Dribble, beaten by one, or failed a Challenge. No Move, Sprint or arrow turn; Quick Step still OK.	Lock	Lock	Lock	Lock	Lock	Grey lock token

MOVEMENT Doesn't end your turn. Play one, then you can still take a second action.

MOVE Up to 3 straight, 1 straight + 1 diagonal, or 2 diagonal. Never through another player. Turning your arrow uses this Move. Arrows: see court. 	Move	Move	Move	Move	Move	**1 each**
QUICK STEP A burst set by the card: 2, 1 or 0 squares, straight. Can't turn the arrow. Still allowed when locked.	Quick Step	Quick Step	Quick Step	Quick Step	Quick Step	**×2** Sprints count
SPRINT Move and Quick Step in one straight line, any direction, same player: **1 action**. Uses that player's Move and Quick Step. Your arrow ends facing the way you ran. 	Sprint	Sprint	Sprint	Sprint	Sprint	**1 token** Uses Move + Quick Step

ENDS YOUR TURN Always your last action. Play one first and your turn is over.

INTERCEPT vs Pass. On the line: any arrow. Arrow across: one movement gets you on. On the passer: only a pass through you. They roll **≤ Pass – Intercept**. No foul roll. 	Intercept	Intercept	Intercept	Intercept	Intercept	**×2**
CHALLENGE SCREEN vs Screen. Name the screen you're fighting through. They roll **≤ Screen – Challenge**. Holds: you're locked. Fails: cross its square, but don't stop on it.	Challenge	Challenge	Challenge	Challenge	Challenge	**×2**
STEAL 1 square away, arrow on the ball carrier. Foul roll first: **≤ Foul (Steal)**. Foul: 1st +5 to them; 2nd free throws, over. They keep it on **≤ Dribble – Steal**; else –5.	Steal	Steal	Steal	Steal	Steal	**×2**
PAUSE Your one wait. The offence must act before you act again. Not straight after their Hesitate.	Pause	Pause	Pause	Pause	Pause	**×1**

CONTEST AUTOMATIC, NO TOKEN
A shot is a declaration: react first. Move, or gamble on a Steal: any foul now gives free throws, a steal ends it at –5.
Then one adjacent defender contests. A Sprint leaves your arrow facing the way you ran: close out straight at them.
Further from the rim (I2) than the shooter: **contest – 3**.
Arrow off the shooter: foul roll first, **≤ Foul (Contest)**, or don't contest. A foul: free throws, possession over.
