PLAYMAKER

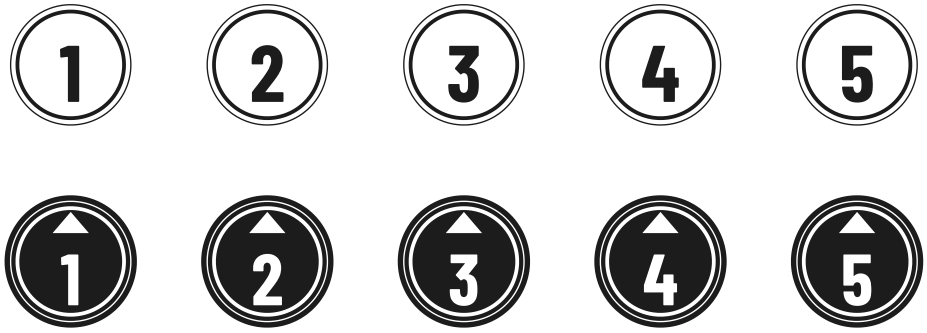

TOKEN SHEET

50 mm

Print both sides at 100%, flip on the long edge, on card stock.
Cut on the grey ring, or use circle punches: 5/8 in, 1/2 in and 1/4 in.
Check scale first: the bar below must measure exactly 50 mm.

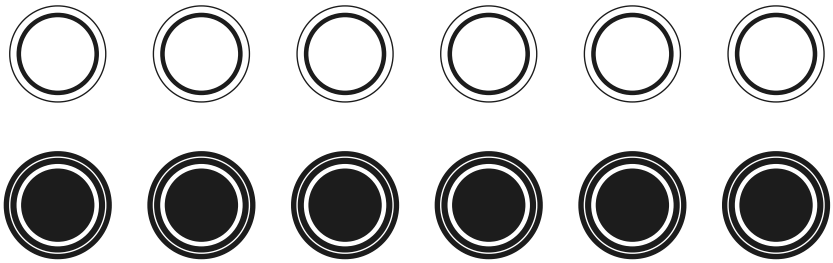

PLAYER PIECES · 15.9 mm

White = offence, black = defence; the number matches the card. Back of each O: the screen T.

ACTION TOKENS · 12.7 mm

6 white for offence, 6 black for defence. Fit the 13 mm tracker circles.

LOCK TOKENS · 12.7 mm

8 grey. Go in the Locked circles on the tracker. All come off at the phase end.

BALL 6.35 mm · SHOT CLOCK 12.7 mm

Ball sits on the ball carrier, above the number. Clock marker sits beside the clock number.

SPARES

Two action tokens of each colour, a lock token and a ball.

Back of the token sheet · O pieces show the screen T
